BARNSTABLE HIGH SCHOOL
HYANNIS MASS.

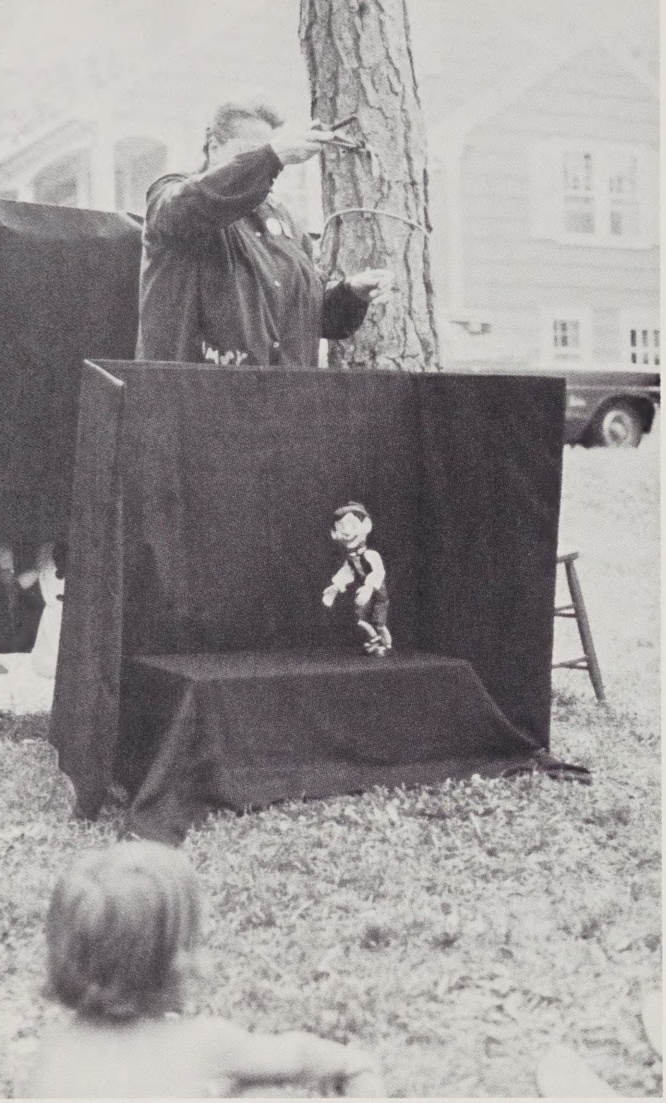
Life so they say
is but a game
and they let it
slip away.

Love like the
autumn sun
should be dying
but it's only
just begun.

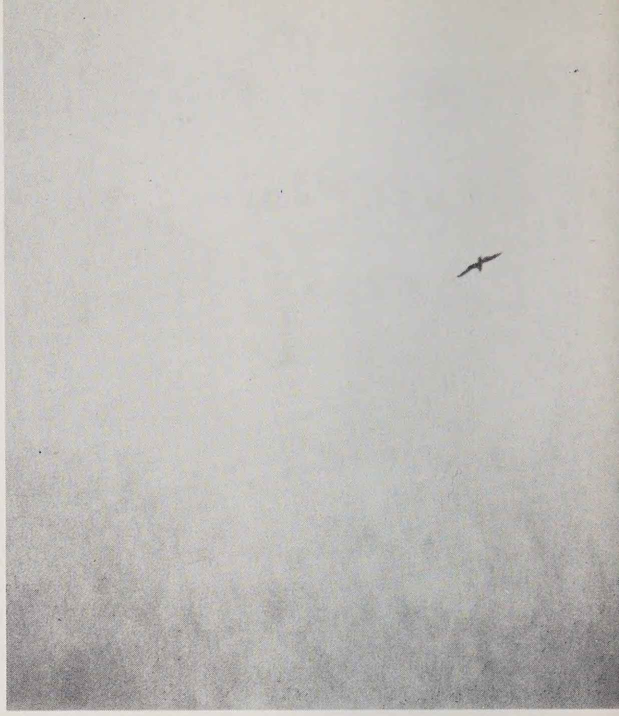
Like the twilight
in the road up ahead
they don't see just
where we're going.

And all the secrets
in the universe
whisper in our ears
and all the years
will come and go,
and take us up,
always up.

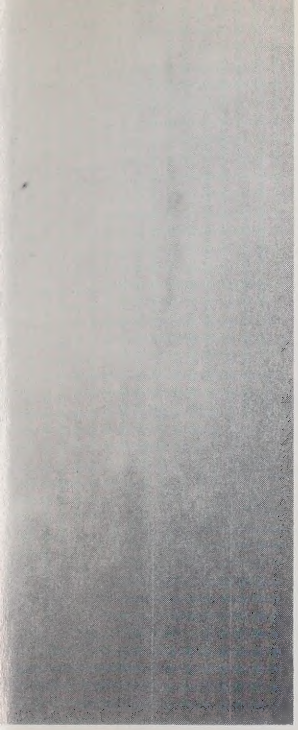


Dreams so they say, are for the fools
and they let it slip away.

Like columbus in the olden days
we must gather all our courage.



Peace like the silent dove
should be flying but it's only



just begun.

Sail our ships out on the open sea, cast away
our fears, and all the years will come and go.

So I want to laugh while the laughing is easy
I want to cry if it makes it worthwhile
we may never pass this way again
that's why I want it with you.
Cuz you make me feel like
I'm more than a friend.
Like I'm the journey and,
you're the journey's end.
we may never pass this way again . . .
we may never pass this way again.

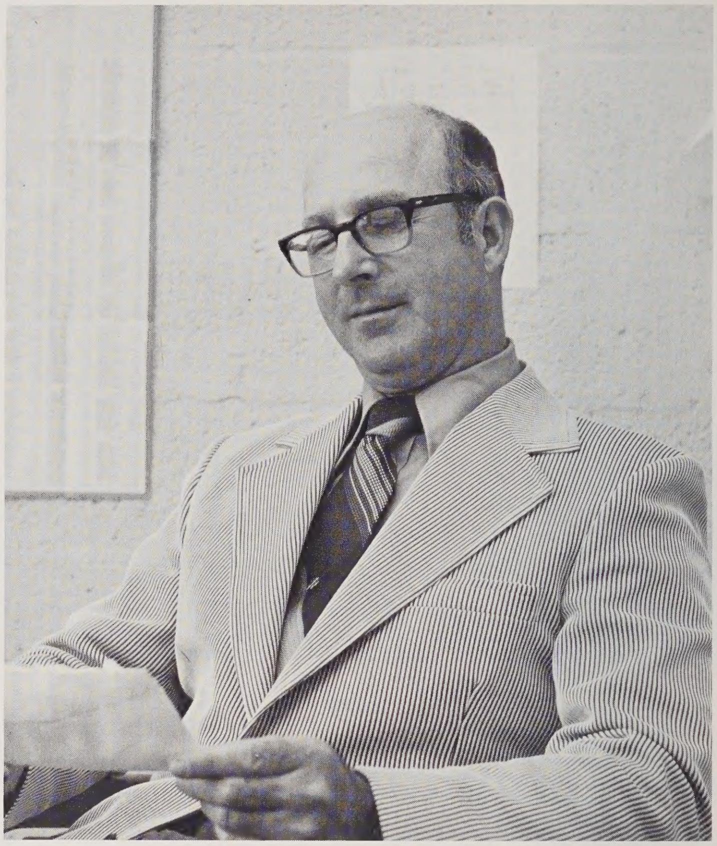
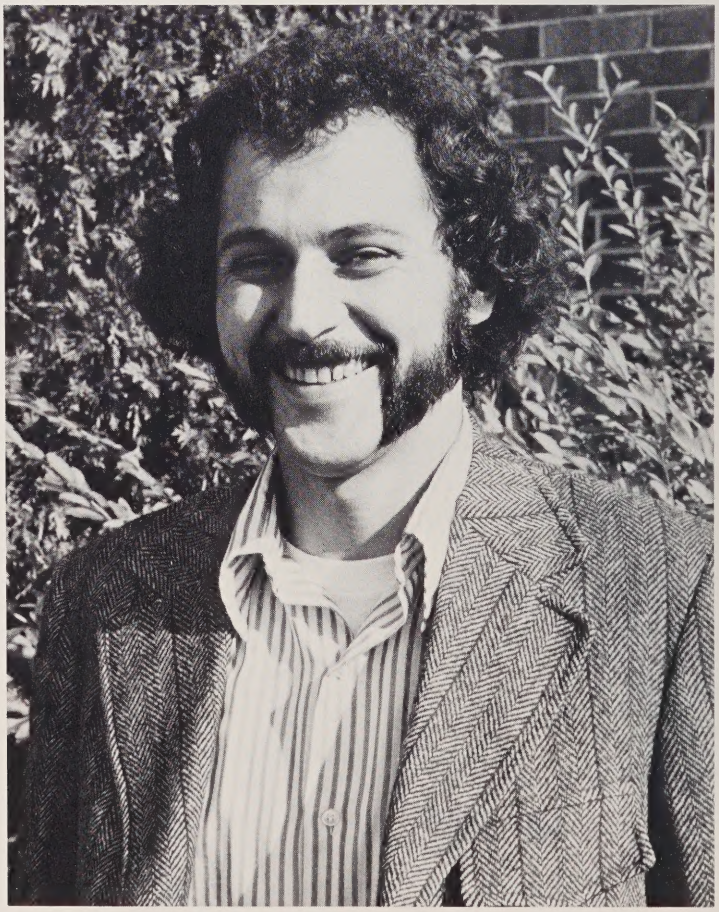
DEDICATION



Mr. Chester Buck

For your increasing efforts on our behalf, Mr. Buck and Mr. Helms, we the 1974 graduating class dedicate this book to you as a small indication of our sincere thanks.



Mr. Robert Helms

Evelyn Mehaffey

"In my end is my beginning."

In a very special way, this BARNACLE belongs to Evelyn Mehaffey, because hers was a unique gift – a love for students and for knowledge and a wonderful way of bringing them together. Everyone who knew her felt they had met, at last, a rare person – one who truly deserved the name "teacher". And so this BARNACLE is specially dedicated to her, in the hope that we have learned a little of what she had to teach.
